

5-25x56 PM II - 5-25x56 PM II LP MSR2 1cm cw DT / ST

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 5-25×56 PM II from Schmidt and Bender stands at the pinnacle of variable-magnification tactical optics, engineered for long-range precision, outstanding clarity and professional-level reliability. With a wide 5-25× zoom range and a substantial 56 mm objective lens, it delivers exceptional light-gathering capability, enabling crisp, bright imagery even at extended distances.

Built upon a rugged 34 mm main tube, the scope accommodates large internal adjustment ranges and is designed for demanding use. It features a reticle in the first focal plane (FFP) so that scale and hold-offs remain accurate at any magnification. The field of view spans approximately 5.3-1.5 m at 100 m, while the exit pupil ranges around 11.0-2.3 mm, and the eye relief remains generous at around 90 mm. The parallax adjustment typically extends from 10 m to infinity, enabling accurate focus from very close ranges through to extreme distances.

The turret system is engineered for precision: click values as fine as 0.1 mrad (≈ 1 cm at 100 m) are available, and a double-turn elevation turret combined with single-turn windage allows vast usable correction ranges for wind and elevation. Optical transmission exceeds 90 %, and the construction is nitrogen-filled, fog- and waterproof, ensuring full reliability in all climatic conditions.

Key Specifications:

Magnification: 5-25×
Objective Lens Diameter: 56 mm
Main Tube Diameter: 34 mm
Field of View: approx. 5.3-1.5 m @100 m
Exit Pupil: approx. 11.0-2.3 mm
Eye Relief: approx. 90 mm
Parallax Adjustment: from ~ 10 m to infinity
Click Value: approx. 0.1 mrad (≈ 1 cm at 100 m)
Optical Transmission: > 90 %

Crafted in Germany to the highest standards, the 5-25×56 PM II is the go-to choice for military, law-enforcement and competition shooters who demand absolute clarity, mechanical integrity and extreme flexibility in one optic.

Attributes

- Name: [5-25x56 PM II LP MSR2 1cm cw DT / ST](#)
- Manufacturer: [SCHMIDT U. BENDER](#)
- Product no.: EU2015828
- Mfr. No.: 689-911-812-94-67
- Colour: Black
- Delivery weight: 2kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 450mm

Safety Instruction Guide for the 5-25x56 PM II

Introduction

Thank you for choosing the 5-25x56 PM II from Schmidt and Bender. This product is designed for longrange precision shooting, offering outstanding clarity and reliability. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this instruction guide.

General Safety Guidelines

- **Product Safety:** This product has been designed to meet safety standards for nonfood items, ensuring safe use in various environments, including online purchases.
- **Enhanced Recalls:** In the event of any safety concerns, standardized recall notices will be issued, and remedies will be provided at no cost for any dangerous products.
- **Online Shopping:** When purchasing online, you are entitled to the same safety protections as when buying in physical stores. Online platforms must adhere to safety requirements.
- **Special Consumer Focus:** Extra precautions are in place to protect vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the EUbased contact information provided with the product.
- **Rapid Alerts:** Stay informed about potential safety issues through the EU's Safety Gate system, which provides timely updates on unsafe products.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle the scope with care. Avoid dropping or exposing it to extreme conditions.
- **Eye Protection:** Always wear appropriate eye protection when using this product to prevent injury from potential recoil or debris.
- **Secure Mounting:** Ensure that the scope is securely mounted to your firearm to prevent accidents during use.
- **Check for Damage:** Before each use, inspect the scope for any visible damage or wear that could affect its performance.
- **Avoid Moisture:** Although the scope is fog and waterproof, avoid exposing it to excessive moisture or extreme temperatures for prolonged periods.
- **Follow Local Laws:** Always use this product in compliance with local laws and regulations regarding firearms and optics.

Instructions for Installation and Usage

Installation

1. **Select a Suitable Firearm:** Ensure that your firearm is compatible with the 5-25x56 PM II scope.
2. **Mounting the Scope:**
 - Use appropriate mounting rings and bases designed for a 34 mm main tube.
 - Securely attach the scope to the firearm, ensuring it is level and aligned.
 - Tighten all screws and bolts according to the manufacturer's specifications.
3. **Adjusting the Reticle:**
 - Ensure the reticle is in the first focal plane (FFP) for accurate scaling and holdoffs at any magnification.
 - Make any necessary adjustments to the reticle according to your shooting needs.

Usage

1. **Focusing the Scope:**
 - Adjust the parallax setting according to your shooting distance, typically from 10 m to infinity.
 - Use the diopter adjustment to ensure a clear image for your eyesight.
2. **Adjusting Magnification:**
 - Rotate the magnification ring to achieve the desired level of zoom within the 5-25x range.
3. **Using the Turret System:**
 - Familiarize yourself with the turret adjustments for windage and elevation.
 - Click values are approximately 0.1 mrad (≈ 1 cm at 100 m). Make adjustments as necessary for precise targeting.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- **Recycling:** If possible, recycle components of the scope, such as the main tube and lens, to minimize environmental impact.
- **Battery Disposal:** If your product includes batteries, follow local guidelines for battery disposal to prevent environmental contamination.

Contact Information for Further Support

For any further inquiries or support regarding the 5-25x56 PM II, please refer to the contact information provided with your product packaging or visit the official Schmidt and Bender website for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your 5-25x56 PM II scope. Always prioritize safety and responsible use in all shooting activities. Thank you for your attention to these guidelines.
