

# 5-25x56 PM II - 5-25x56 PM II LP MSR2 1cm cw DT II+ MTC LT / ST II ZC LT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 5-25×56 PM II from Schmidt and Bender stands at the pinnacle of variable-magnification tactical optics, engineered for long-range precision, outstanding clarity and professional-level reliability. With a wide 5-25× zoom range and a substantial 56 mm objective lens, it delivers exceptional light-gathering capability, enabling crisp, bright imagery even at extended distances.

Built upon a rugged 34 mm main tube, the scope accommodates large internal adjustment ranges and is designed for demanding use. It features a reticle in the first focal plane (FFP) so that scale and hold-offs remain accurate at any magnification. The field of view spans approximately 5.3-1.5 m at 100 m, while the exit pupil ranges around 11.0-2.3 mm, and the eye relief remains generous at around 90 mm. The parallax adjustment typically extends from 10 m to infinity, enabling accurate focus from very close ranges through to extreme distances.

The turret system is engineered for precision: click values as fine as 0.1 mrad ( $\approx 1$  cm at 100 m) are available, and a double-turn elevation turret combined with single-turn windage allows vast usable correction ranges for wind and elevation. Optical transmission exceeds 90 %, and the construction is nitrogen-filled, fog- and waterproof, ensuring full reliability in all climatic conditions.

Key Specifications:

Magnification: 5-25×  
Objective Lens Diameter: 56 mm  
Main Tube Diameter: 34 mm  
Field of View: approx. 5.3-1.5 m @100 m  
Exit Pupil: approx. 11.0-2.3 mm  
Eye Relief: approx. 90 mm  
Parallax Adjustment: from ~10 m to infinity  
Click Value: approx. 0.1 mrad ( $\approx 1$  cm at 100 m)  
Optical Transmission: > 90 %

Crafted in Germany to the highest standards, the 5-25×56 PM II is the go-to choice for military, law-enforcement and competition shooters who demand absolute clarity, mechanical integrity and extreme flexibility in one optic.

## Attributes

- Name: [5-25x56 PM II LP MSR2 1cm cw DT II+ MTC LT / ST II ZC LT](#)
- Manufacturer: [SCHMIDT U. BENDER](#)
- Product no.: EU2015836
- Mfr. No.: 689-911-812-L8-I6
- Colour: Black
- Delivery weight: 2kg
- Shipping height: 100mm
- Shipping width: 100mm

NO IMAGE  
AVAILABLE

- Shipping length: 450mm
- EAN: 4060537065626

# Safety Instruction Guide for the 5-25x56 PM II

## Introduction

Thank you for choosing the 5-25x56 PM II from Schmidt and Bender. This product is designed for longrange precision shooting and is built to the highest standards of quality and reliability. To ensure your safety and the optimal performance of the scope, please read this safety instruction guide carefully before use.

## General Safety Guidelines

- **Product Safety:** This product has been designed to meet safety requirements for nonfood products. Ensure that you understand all safety instructions to minimize risks during use.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. In case of any issues, you will be provided with remedies free of charge.
- **Online Shopping:** If you purchased this product online, be assured that it meets the same safety standards as those bought in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used by or around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Keep updated on any safety concerns regarding this product through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly into the scope while it is pointed at a bright light source, as this can damage your eyesight.
- **Keep Out of Reach of Children:** This product is not a toy. Ensure that it is stored securely and out of reach of children to prevent accidents.
- **Inspect Before Use:** Always inspect the scope for any damage or defects before use. Do not use if any part is damaged.
- **Use Appropriate Mounting:** Ensure that the scope is mounted securely on your rifle according to the manufacturer's instructions to avoid any accidents during use.
- **Follow Local Regulations:** Always adhere to local laws and regulations regarding the use of firearms and optics.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable mounting location on your rifle that provides a stable platform for the scope.
- Use the appropriate mounting rings and tools to secure the scope to the rifle. Ensure that it is tightened adequately but avoid overtightening.
- Align the scope properly to ensure accurate aiming.

### 2. Usage:

- Familiarize yourself with the scope's features, including magnification adjustments and reticle settings.
- Adjust the parallax according to the distance you are shooting to ensure a clear image.
- Always practice safe shooting techniques and be aware of your surroundings when using the scope in the field.

### 3. Maintenance:

- Regularly clean the lenses with a soft, lintfree cloth to maintain clarity.
- Check for any signs of wear or damage after each use and address any issues immediately.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations regarding electronic waste and optics.
- **Recycling:** If applicable, recycle components of the product that can be recycled. Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the designated EU contact point associated with this product. Ensure that you have the product details handy for efficient assistance.

By following these safety instructions, you will ensure a safe and effective experience with your 5-25x56 PM II scope. Always prioritize safety and responsibility while using this highquality optical device.
