

# 5-25x56 PM II - 5-25x56 PM II LP MSR2 1cm ccw DT II+ MTC LT / ST II ZC LT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 5-25×56 PM II from Schmidt and Bender stands at the pinnacle of variable-magnification tactical optics, engineered for long-range precision, outstanding clarity and professional-level reliability. With a wide 5-25× zoom range and a substantial 56 mm objective lens, it delivers exceptional light-gathering capability, enabling crisp, bright imagery even at extended distances.

Built upon a rugged 34 mm main tube, the scope accommodates large internal adjustment ranges and is designed for demanding use. It features a reticle in the first focal plane (FFP) so that scale and hold-offs remain accurate at any magnification. The field of view spans approximately 5.3-1.5 m at 100 m, while the exit pupil ranges around 11.0-2.3 mm, and the eye relief remains generous at around 90 mm. The parallax adjustment typically extends from 10 m to infinity, enabling accurate focus from very close ranges through to extreme distances.

The turret system is engineered for precision: click values as fine as 0.1 mrad ( $\approx 1$  cm at 100 m) are available, and a double-turn elevation turret combined with single-turn windage allows vast usable correction ranges for wind and elevation. Optical transmission exceeds 90 %, and the construction is nitrogen-filled, fog- and waterproof, ensuring full reliability in all climatic conditions.

Key Specifications:

Magnification: 5-25×  
Objective Lens Diameter: 56 mm  
Main Tube Diameter: 34 mm  
Field of View: approx. 5.3-1.5 m @100 m  
Exit Pupil: approx. 11.0-2.3 mm  
Eye Relief: approx. 90 mm  
Parallax Adjustment: from ~10 m to infinity  
Click Value: approx. 0.1 mrad ( $\approx 1$  cm at 100 m)  
Optical Transmission: > 90 %

Crafted in Germany to the highest standards, the 5-25×56 PM II is the go-to choice for military, law-enforcement and competition shooters who demand absolute clarity, mechanical integrity and extreme flexibility in one optic.

## Attributes

- Name: [5-25x56 PM II LP MSR2 1cm ccw DT II+ MTC LT / ST II ZC LT](#)
- Manufacturer: [SCHMIDT U. BENDER](#)
- Product no.: EU2015848
- Mfr. No.: 689-911-812-L7-I5
- Colour: Black
- Delivery weight: 2kg
- Shipping height: 100mm
- Shipping width: 100mm

NO IMAGE  
AVAILABLE

- Shipping length: 450mm
- EAN: 4060537065596

# Safety Instruction Guide for the 5-25x56 PM II

## Introduction

Thank you for choosing the 5-25x56 PM II from Schmidt and Bender. This highperformance tactical optic is designed for precision shooting and longrange applications. To ensure your safety and the optimal use of this product, please read this safety instruction guide carefully. It contains important information regarding the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** This product is designed to meet high safety standards. Ensure that it is used as intended to avoid risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing this product online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** Extra care should be taken when this product is used by or around vulnerable groups, such as children. Ensure that the product is kept out of their reach.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Handling:** Always handle the optic with care. Avoid dropping or subjecting it to strong impacts.
- **Mounting:** Ensure that the scope is securely mounted to the firearm according to the manufacturer's instructions. An improperly mounted scope can lead to accidents or misalignment.
- **Adjustment:** Make adjustments to the turrets only when the rifle is in a safe position and pointed in a safe direction.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance. Ensure that it is kept dry and free from moisture.
- **Maintenance:** Regularly check the optic for any signs of damage or wear. Clean the lenses with a soft, dry cloth to avoid scratches.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting location on your firearm.
- Follow the manufacturer's instructions to securely attach the scope using the appropriate mounting hardware.
- Ensure that the scope is level and aligned with the barrel of the firearm.

### 2. Usage:

- Before using the scope, familiarize yourself with its features and adjustments.
- Adjust the magnification to your desired level, ensuring that the reticle is clear and in focus.
- Use the parallax adjustment to ensure a sharp image at your target distance.
- Take note of the field of view and exit pupil specifications to optimize your shooting experience.

### 3. Safety Checks:

- Always perform a safety check on your firearm before and after mounting the optic.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation and adjustments.

## **Disposal Instructions**

- **Disposal:** When disposing of the product, follow local regulations for electronic waste and hazardous materials.
- **Environment:** Do not dispose of the product in regular household waste. Instead, take it to a designated collection point for proper recycling or disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 5-25x56 PM II, please refer to the contact information provided with your product. Your safety and satisfaction are our top priorities.

By following these safety instructions, you can ensure a safe and effective experience with your 5-25x56 PM II. Thank you for your attention to these important guidelines.
