

# 1-8x24 Exos TMR - 1-8x24 Exos LM FD7 TMR 1cm cw BDC II LT / Posicon CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 1-8×24 Exos from Schmidt and Bender is a highly versatile, premium hunting riflescope designed for both rapid target acquisition and effective mid-range shooting. With a magnification range of 1–8× and a 24 mm objective lens, it combines the speed of a red-dot style sight with the precision of a full zoom optic.

## Key Features and Benefits

True 1× magnification at the low end enables fast, intuitive shots with both eyes open and no magnification distortion.

Higher magnification transitions up to 8×, offering flexibility across a wide range of distances.

Wide field of view: approximately 35.3 m to 4.9 m at 100 m, providing excellent situational awareness at low magnification and fine detail at higher zoom.

Generous eye relief of 90 mm for comfortable and safe mounting across different rifle platforms.

High optical quality with an exit pupil of approximately 9.6–3.0 mm and light transmission over 90 %, ensuring bright, crisp imagery even in low light.

Compact, durable build: 30 mm main tube, length approx. 293 mm, weight around 595 g.

Adjustable illuminated reticle in certain versions for optimal visibility in varied lighting conditions.

## Technical Highlights

Magnification: 1-8×

Objective Lens Diameter: 24 mm

Field of View: approx. 35.3–4.9 m @100 m

Exit Pupil: approx. 9.6–3.0 mm

Eye Relief: 90 mm

Transmission: >90%

Tube Diameter: 30 mm

Length: approx. 293 mm

Weight: approx. 595 g

Ideal Use Case

The 1-8×24 Exos is perfect for hunters and shooters engaging fast-moving game or participating in driven hunts where immediate reaction is needed at short distance, while still providing enough zoom to clearly identify and shoot at greater ranges. Its blend of speed, clarity, and field-ready design makes it a versatile, one-scope solution.

# Safety Instruction Guide for 1-8x24 Exos TMR Riflescope

## Introduction

Thank you for choosing the 1-8x24 Exos TMR Riflescope. This guide provides essential safety instructions to ensure the safe and effective use of your riflescope. Adhering to these guidelines will help you avoid hazards and enhance your shooting experience.

## General Safety Guidelines

- **Product Safety:** This riflescope is designed for safe use in hunting and shooting activities. Always ensure that you are familiar with the product before use.
- **Enhanced Recalls:** Regularly check for any recall notices related to this product. If a recall is issued, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** When purchasing online, ensure that the retailer meets all safety requirements and provides clear product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU-based contact point.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Using Under the Influence:** Do not use the riflescope if you are under the influence of alcohol, drugs, or any substances that may impair your judgment.
- **Proper Handling:** Always handle the riflescope with care. Avoid dropping or subjecting it to severe impacts.
- **Check for Damage:** Before each use, inspect the riflescope for any signs of damage. Do not use if damaged.
- **Use Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this riflescope.
- **Follow Local Laws:** Ensure compliance with local laws and regulations regarding the use of riflescopes and firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your rifle is unloaded before installation.
- Mount the riflescope securely onto the rifle using the appropriate mounting rings.
- Follow the manufacturer's guidelines for tightening the mounts to avoid damage.

### 2. Zeroing the Riflescope:

- After installation, zero the riflescope at your preferred distance according to the manufacturer's instructions.
- Use a stable shooting platform and take your time to ensure accuracy.

### 3. Using the Riflescope:

- Adjust the magnification as needed for your shooting situation.
- Use the illuminated reticle feature in lowlight conditions for better visibility.

- Maintain a firm grip on the rifle and ensure proper stance while aiming.

#### 4. **Maintenance:**

- Keep the lenses clean using appropriate lens cleaning solutions and microfiber cloths.
- Store the riflescope in a dry, cool location when not in use to prevent moisture damage.

## **Disposal Instructions**

- **Proper Disposal:** Dispose of the riflescope in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle the product materials at a designated recycling facility.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the appropriate support channels provided by the manufacturer or retailer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1-8x24 Exos TMR Riflescope. Always prioritize safety and responsible use.
