## Specific Safety Precautions for Use

- **Proper Handling:** Always handle the quiver with care. Avoid dropping or exposing it to extreme conditions.
- **Compatibility Check:** Ensure that the quiver is compatible with your shotgun model before installation.
- **Secure Attachment:** Make sure the mounting plate is securely attached to prevent accidental detachment during use.
- **Regular Inspection:** Periodically check the quiver and mounting plate for signs of wear or damage. Replace if necessary.
- **Avoid Overloading:** Do not exceed the 5round capacity of the quiver to maintain balance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable location on your shotgun stock or receiverside mounting location.
- Align the aluminum mounting plate with the chosen location.
- Use appropriate screws (not included) to securely attach the mounting plate to the shotgun.
- Ensure that the quiver is firmly attached and does not move when pulled or pushed.

### 2. Usage:

- Load up to five shotgun shells into the quiver. Ensure the shells are securely held in place.
- To access the shells, gently pull them from the quiver without using excessive force.
- After use, store the quiver in a dry and safe location, away from children and pets.

## Disposal Instructions

- **Environmental Consideration:** Dispose of the quiver responsibly. Check local regulations for proper disposal methods.
- **Recycling:** If possible, recycle the aluminum components as they are recyclable materials.
