

REMINGTON 7 W/SAFETY - ELITE HUNTER (Pull Weight adjustable 2-4lb) - REMINGTON 7, BLACK **3lb**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

This is a true drop-in trigger, engineered for straightforward installation without the need for a gunsmith. Featuring Timney's uniquely designed trigger-blocking safety, it delivers reliable operation and enhanced shooter confidence.

Each trigger is factory-calibrated and ready to shoot straight out of the box, while still offering full adjustability for sear engagement (creep), overtravel (follow-through), and pull weight. This flexibility allows you to fine-tune the trigger exactly to your preferences.

Safety Instruction Guide for REMINGTON 7 W/SAFETY ELITE HUNTER Trigger

Introduction

Thank you for choosing the REMINGTON 7 W/SAFETY ELITE HUNTER Trigger. This guide provides essential safety instructions and information to ensure the safe and effective use of your trigger. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the firearm is pointed in a safe direction at all times.
- Store the trigger and firearm securely, out of reach of children and unauthorized users.
- Do not modify the trigger in any way that is not specified in this guide.
- Regularly inspect your trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installation or adjustment of the trigger.
- Use only compatible firearms as specified in the product documentation.
- Adjust the pull weight only within the recommended range of 24 lbs.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- If you experience any malfunctions, cease use immediately and consult a professional gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is completely unloaded. Remove any ammunition from the area.
2. **Remove Old Trigger:** Follow the manufacturer's instructions to safely remove the old trigger from your firearm.
3. **Install New Trigger:**
 - Align the REMINGTON 7 W/SAFETY trigger with the trigger assembly.
 - Securely fasten the trigger in place according to the manufacturer's specifications.
4. **Adjust Trigger Settings:**
 - Use the provided tools to adjust the sear engagement (creep), overtravel (followthrough), and pull weight.
 - Make adjustments gradually and test the trigger after each adjustment until desired settings are achieved.

Usage

- Before using the firearm with the newly installed trigger, conduct a function check to ensure proper operation.
- When ready to shoot, always be aware of your target and what lies beyond it.
- After use, clean the trigger and firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.

- If the trigger is no longer in use or is deemed unsafe, consult local regulations for proper disposal methods.
- Do not dispose of the trigger in regular household waste.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact details provided with the product packaging or documentation.

Thank you for prioritizing safety and responsible firearm ownership. Enjoy your experience with the REMINGTON 7 W/SAFETY ELITE HUNTER Trigger.
