

REMINGTON 7 W/SAFETY - ELITE HUNTER (Pull Weight adjustable 2-4lb) - REMINGTON 7, NICKEL PLATED **3lb**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

This is a true drop-in trigger, engineered for straightforward installation without the need for a gunsmith. Featuring Timney's uniquely designed trigger-blocking safety, it delivers reliable operation and enhanced shooter confidence.

Each trigger is factory-calibrated and ready to shoot straight out of the box, while still offering full adjustability for sear engagement (creep), overtravel (follow-through), and pull weight. This flexibility allows you to fine-tune the trigger exactly to your preferences.

REMINGTON 7 W/SAFETY ELITE HUNTER Safety Instruction Guide

Introduction

Thank you for choosing the REMINGTON 7 W/SAFETY ELITE HUNTER trigger. This guide provides essential safety instructions to ensure the safe use and installation of your new trigger. Please read this guide thoroughly before use.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the trigger is installed correctly and securely before use.
- Use only the recommended specifications for installation and adjustments.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Store the firearm and trigger in a secure location, away from unauthorized users, especially children.
- Report any unsafe product incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Avoid modifications to the trigger that could compromise its safety features.
- Use appropriate eye and ear protection when operating the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm usage and safety.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: screwdriver, wrench, and any other recommended tools.

2. Remove the Old Trigger:

- Carefully disassemble the firearm as per the manufacturer's instructions.
- Remove the existing trigger by unscrewing it from the trigger assembly.

3. Install the New Trigger:

- Align the REMINGTON 7 trigger with the trigger assembly.
- Secure the trigger in place by tightening the screws to the recommended torque specifications.

4. Adjustments:

- Adjust the sear engagement (creep), overtravel (followthrough), and pull weight as desired within the range of 24 lbs.
- Test the trigger in a safe environment to ensure it operates as expected.

5. Reassemble the Firearm:

- Follow the manufacturer's instructions to reassemble the firearm.
- Perform a function check to ensure that the trigger operates safely.

Usage Instructions

- Always ensure the firearm is pointed in a safe direction when handling.
- Familiarize yourself with the trigger's operation before use.
- Practice safe shooting habits at all times.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the trigger or firearm becomes damaged beyond repair, consult local regulations for proper disposal methods to ensure environmental safety.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 7 W/SAFETY ELITE HUNTER trigger, please refer to the manufacturer's website or contact their customer support.

Thank you for prioritizing safety while using the REMINGTON 7 W/SAFETY ELITE HUNTER trigger. Your attention to these guidelines helps ensure a safe and enjoyable shooting experience.
