

SMITH & WESSON (Pull weight 3lb) - EFT Trigger Shoe Straight Aluminum Anodized Trigger with integrated safety.

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

If you're looking to improve the trigger feel on your S and W Shield pistol, the Enhanced Feel Trigger (EFT) Shoe is the ideal upgrade. Designed specifically for the Shield Series, it enhances comfort and predictability at the break, resulting in better control and improved accuracy. While the EFT shoe does not reduce the factory pull weight, it significantly refines the overall trigger feel for a smoother, more consistent shooting experience.

Features and Benefits:

- Improves trigger feel and helps increase shooting accuracy
- Comfortable, predictable trigger break
- Easy installation with no gunsmith required
- Hand-assembled, tested, and calibrated
- Backed by Timney's legendary lifetime warranty
- Proudly manufactured in the USA

Compatibility:

- Smith and Wesson Shield
- Shield Plus
- Shield 2.0

Not compatible with:

- S and W Shield EZ models (different internal design)

Safety Instruction Guide for SMITH & WESSON EFT Trigger Shoe

Introduction

Thank you for choosing the SMITH & WESSON Enhanced Feel Trigger (EFT) Shoe. This product is designed to enhance the trigger feel of your S&W Shield pistol, providing improved comfort and shooting accuracy. To ensure safe and effective use of the EFT Trigger Shoe, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the EFT Trigger Shoe is used only with compatible models of the Smith and Wesson Shield series.
- Always handle firearms with care and in accordance with local laws and regulations.
- Regularly inspect the trigger shoe for any signs of wear or damage.
- Store the product in a safe location, away from children and unauthorized users.
- Be aware of the potential hazards associated with firearms and their accessories.

Specific Safety Precautions for Use

- Do not install the EFT Trigger Shoe on S&W Shield EZ models as it is not compatible due to a different internal design.
- Always ensure that the firearm is unloaded before installing or adjusting the trigger shoe.
- Follow all manufacturer instructions carefully to avoid improper installation, which could lead to malfunction.
- If you experience any issues with the trigger shoe, cease use immediately and consult a qualified gunsmith.
- Use the product only for its intended purpose; do not modify or alter the trigger shoe.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any other tools specified in the installation instructions.

2. Installation:

- Remove the factory trigger shoe from your S&W Shield pistol by following the manufacturer's guidelines.
- Align the EFT Trigger Shoe with the trigger mechanism and secure it in place.
- Ensure that all screws are tightened according to the specified torque settings.

3. Testing:

- After installation, perform a function check to ensure that the trigger operates smoothly and safely.
- If any binding or unusual resistance is felt, remove the trigger shoe and recheck the installation.

4. Usage:

- Familiarize yourself with the new trigger feel before using the firearm in a live environment.
- Practice safe shooting techniques and ensure you are in a controlled environment when testing the firearm.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling regulations.
- If the EFT Trigger Shoe is ever deemed unsafe or damaged beyond repair, dispose of it in accordance with local hazardous waste disposal guidelines to prevent injury or environmental harm.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please contact the authorized dealer or manufacturer. Ensure you have the product details ready for reference when seeking assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SMITH & WESSON EFT Trigger Shoe. Always prioritize safety and responsibility when handling firearms.
