

Heimdall - Firearm Degreaser (200ml)

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

The Wolfskrieger Firearm Degreaser is a fast-acting, high-performance cleaning spray developed for residue-free firearm maintenance. Designed to remove old oils, grease, carbon buildup, and powder residue, it prepares metal components for optimal function and consistent performance.

Its advanced formula penetrates deep into tight tolerances and hard-to-reach areas such as rails, actions, bolt carriers, and recesses, breaking down fouling quickly and flushing out contaminants without leaving residue behind. After application, the degreaser evaporates cleanly, leaving surfaces dry and ready for lubrication.

Specifically developed for metal firearm components, the formula is firearm-safe and suitable for all common gun materials. It is low-odor, workshop-friendly, and easy to apply - making it ideal for routine maintenance, deep cleaning, or as a preparation step before applying your preferred gun oil.

With its rapid degreasing action and residue-free finish, Wolfskrieger Firearm Degreaser ensures your firearm is properly cleaned and ready for the next stage of maintenance.

Heimdall Firearm Degreaser Safety Instruction Guide

Introduction

Welcome to the safety instruction guide for the Heimdall Firearm Degreaser (200ml). This guide provides essential information to ensure the safe and effective use of the product. Please read this guide carefully before using the degreaser to avoid any potential hazards and to ensure proper maintenance of your firearm.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a firearm degreaser.
- Keep the product out of reach of children and pets.
- Always use the degreaser in a wellventilated area to minimize inhalation of vapors.
- Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water.
- Do not ingest the degreaser. In case of ingestion, seek medical assistance immediately.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Follow local regulations for the disposal of chemical products.

Specific Safety Precautions for Use

- Wear protective gloves and goggles when applying the degreaser to prevent skin and eye irritation.
- Do not apply the degreaser near open flames or hot surfaces.
- Ensure that all firearm components are unloaded and in a safe condition before application.
- Test the degreaser on a small, inconspicuous area of the firearm before full application to check for any adverse reactions with the materials.
- Avoid spraying the degreaser on electronic components or optics.
- Allow sufficient time for the degreaser to evaporate completely before applying any lubricant or oil.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary materials: Heimdall Firearm Degreaser, protective gloves, goggles, and a clean cloth.

2. Application:

- Shake the canister well before use.
- Hold the canister approximately 1520 cm away from the surface to be cleaned.
- Spray the degreaser evenly on the metal components, focusing on areas with heavy fouling or residue.
- Allow the degreaser to penetrate for a few moments.

3. Cleaning:

- Use a clean cloth or brush to wipe away the loosened residue.
- For stubborn areas, reapply the degreaser and repeat the cleaning process.

4. PostApplication:

- Ensure that all surfaces are dry before proceeding with lubrication or reassembly.

- Dispose of any used cloths or materials in accordance with local regulations.

Disposal Instructions

- Dispose of the degreaser in accordance with local environmental regulations.
- Do not dispose of the product in household waste or down the drain.
- Check for local hazardous waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Heimdall Firearm Degreaser, please refer to the product packaging for contact details of the manufacturer or distributor.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with the Heimdall Firearm Degreaser. Always prioritize safety and adhere to the guidelines provided to maintain your firearm properly and responsibly. Thank you for choosing Heimdall for your firearm maintenance needs.
