

Heimdall - Firearm Cleaner (150ml)

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

The Wolfskrieger Firearm Cleaner is a versatile, finish-safe cleaning spray developed for fast and effective firearm maintenance. Designed to remove carbon, powder residue, grease, and contaminants from all firearm components, it delivers thorough cleaning performance while remaining gentle on materials and surfaces.

Its active formula penetrates tight tolerances and hard-to-reach areas, lifting fouling without the need for aggressive scrubbing or abrasive action. At the same time, it preserves coatings and finishes, making it an ideal choice for routine cleaning as well as detailed maintenance sessions.

Unlike harsh ammonia-based solvents, Wolfskrieger Firearm Cleaner is ammonia-free and low-odor, making it safe for indoor use and more comfortable to handle. The formula is also non-flammable and biodegradable, combining strong cleaning power with a modern, user-friendly approach.

After application, the cleaner leaves behind a light protective finish that helps guard against corrosion, ensuring reliable performance and protection even between sessions.

Built for shooters who want effective cleaning without compromising their equipment, Wolfskrieger Firearm Cleaner delivers dependable results in a compact, ready-to-use solution.

Heimdall Firearm Cleaner Safety Instruction Guide

Introduction

Thank you for choosing Heimdall Firearm Cleaner. This guide provides important safety information to ensure the safe and effective use of this product. Please read this guide carefully before using the cleaner.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a firearm cleaner.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep the product out of reach of children and pets.
- Check the product for any visible damage before use. Do not use if the container is damaged.
- Use the product in a wellventilated area to minimize inhalation of vapors.
- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water and seek medical advice if irritation persists.

Specific Safety Precautions for Use

- Do not ingest the product. If swallowed, seek medical attention immediately.
- Avoid using the cleaner near open flames or sparks as it is nonflammable but may still pose risks in certain conditions.
- Do not mix with other cleaning agents or chemicals unless specified by the manufacturer.
- Use gloves and safety goggles to protect your hands and eyes during application.
- Allow surfaces to dry completely after cleaning before handling or reassembling firearm components.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition before cleaning.
- Remove any attachments or accessories that may obstruct cleaning.

2. Application:

- Shake the bottle gently before use to ensure proper mixing of the formula.
- Spray the cleaner directly onto the surfaces to be cleaned, focusing on areas with visible fouling or residue.
- Allow the cleaner to penetrate for a few moments to lift dirt and contaminants.

3. Cleaning:

- Wipe the surfaces with a clean, dry cloth or soft brush to remove loosened dirt and residue.
- For stubborn areas, reapply the cleaner and repeat the process as necessary.

4. Finishing:

- After cleaning, inspect the firearm to ensure all residues have been removed.
- Store the firearm in a safe location after it has dried completely.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not pour the cleaner down drains or into water sources.
- Check for any specific disposal instructions on the product label.

Contact Information for Further Support

For questions or concerns regarding the use of Heimdall Firearm Cleaner, please consult the manufacturer or refer to the product packaging for further guidance.

Conclusion

Following these safety instructions will help ensure a safe and effective cleaning experience with Heimdall Firearm Cleaner. Always prioritize safety and proper handling when using cleaning products. Thank you for your attention to these important guidelines.
