

GTS Mission Case - Shoulder Strap

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

The German Tactical Systems Mission Case Shoulder Strap is an optional accessory designed to enhance the carrying comfort of the GTS Mission Case. Constructed from durable, heavy-duty materials, it provides a secure and comfortable way to transport your firearm and equipment over longer distances. Thanks to its compatibility with the GTS Loop System, a single shoulder strap can also be used to carry two connected Mission Cases simultaneously, offering additional flexibility for transporting multiple firearms or larger equipment loads.

GTS Mission Case Shoulder Strap Safety Instructions

Introduction

Thank you for choosing the GTS Mission Case Shoulder Strap. This accessory is designed to enhance the carrying comfort of your GTS Mission Case. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information on product safety, installation, usage, and disposal.

General Safety Guidelines

- Ensure that the shoulder strap is securely attached to the GTS Mission Case before use.
- Regularly inspect the strap for signs of wear or damage. Do not use if any defects are found.
- Always carry the case in a manner that allows for easy access to your firearm and equipment.
- Keep the strap away from sharp objects to prevent cuts or tears.
- Store the strap in a dry, cool place when not in use.

Specific Safety Precautions for Use

- This product is intended for adult users only. Keep away from children and vulnerable individuals.
- Do not overload the shoulder strap beyond its intended capacity, as this may lead to accidents or injuries.
- When carrying two connected Mission Cases, ensure that both cases are securely fastened to the strap.
- Avoid using the strap in wet conditions, as this may affect the grip and stability.
- Be cautious of your surroundings while transporting firearms and equipment to prevent accidents.

Instructions for Installation and Usage

1. Attaching the Shoulder Strap:

- Locate the attachment points on your GTS Mission Case.
- Securely clip the shoulder strap to both attachment points, ensuring a tight fit.

2. Adjusting the Strap:

- Adjust the length of the strap to fit comfortably over your shoulder.
- Ensure that the strap is not too loose or too tight to maintain balance and control.

3. Carrying the Case:

- Place the strap over your shoulder, allowing the case to rest securely at your side or back.
- Maintain a firm grip on the case while walking or moving to prevent slipping.

4. Using with Multiple Cases:

- If using the strap to carry two connected Mission Cases, ensure they are securely attached to each other.
- Distribute the weight evenly to maintain balance during transport.

Disposal Instructions

- Dispose of the GTS Mission Case Shoulder Strap in accordance with local regulations.
- If the strap is damaged beyond use, please recycle it where facilities exist.
- Do not dispose of the strap in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the GTS Mission Case Shoulder Strap, please consult the manufacturer's official website or customer service resources.

Thank you for prioritizing safety while using the GTS Mission Case Shoulder Strap. Your attention to these guidelines helps ensure a safe and enjoyable experience.
