

Magazine Extension for Glock Magazines - Schmeisser S50 G17 MLE +33-Round Magazine Extension for Glock Magazines

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Following the success of the Schmeisser 60-round magazine setting industry standards, Schmeisser has tackled the next challenge: with the Schmeisser High-Capacity Magazine Adapter, they bring the next evolutionary step in high-capacity feeding systems to the Glock 17.

This extension adds +33 rounds to a standard magazine, increasing total capacity to 50 rounds. Despite this high capacity, the overall profile remains compact and comparable to a standard 33-round magazine.

Patented 4-column feed system: Delivers maximum capacity combined with smooth, reliable feeding.

50-Round Total Capacity: Offers high volume in a compact form factor.

No Gunsmithing Required: Tool-free assembly; can be disassembled without leaving traces or permanently altering the original magazine.

Ultra-Durable Housing: Made from glass-fiber reinforced polymer.

Quick Round Counter: Dual-sided transparent windows allow for fast visual inspection of remaining ammunition.

Made in Germany

Attributes

- Name: [Schmeisser S50 G17 MLE +33-Round Magazine Extension for Glock Magazines](#)

Safety Instruction Guide for Schmeisser Magazine Extension for Glock Magazines

Introduction

Thank you for choosing the Schmeisser Magazine Extension for Glock Magazines. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that this product is used only with Glock magazines and is compatible with the Glock 17 model.
- Always handle firearms and ammunition with care. Follow all local laws and regulations regarding firearm use and storage.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the magazine extension for any signs of wear or damage before use.
- Store the magazine extension in a secure location when not in use.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of 50 rounds. Overloading may cause malfunction or damage.
- Ensure that the magazine is properly seated in the firearm before use.
- Avoid exposing the magazine extension to extreme temperatures or harsh chemicals, as these may affect its durability.
- Always wear appropriate protective gear, such as safety glasses and hearing protection, when using firearms.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith for assistance.

Instructions for Installation and Usage

Installation

1. **Disassemble the Original Magazine:** Carefully remove the base plate from the original Glock magazine, following the manufacturer's instructions.
2. **Attach the Magazine Extension:** Align the Schmeisser Magazine Extension with the magazine and press it onto the magazine body until it clicks into place.
3. **Check for Secure Fit:** Ensure that the magazine extension is securely attached and does not wobble or move when pulled.

Usage

- Load the magazine with the desired number of rounds, ensuring that the total does not exceed 50 rounds.
- Insert the magazine into the firearm until you hear a click, indicating it is properly seated.
- Always perform a function check before firing to ensure the magazine operates correctly.

Disposal Instructions

- Dispose of the magazine extension according to local regulations. Do not dispose of in regular household waste.
- If the product is damaged or no longer in use, consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Schmeisser Magazine Extension, please refer to the contact information provided on the packaging or visit the manufacturer's website for more details.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Schmeisser Magazine Extension for Glock Magazines. Always prioritize safety and responsibility when handling firearms.
